

"Damn it Boudreaux," Sheriff Thibodeaux yelled at the driver of the car he had just stopped, "You saw my flashing lights. Why didn't you pull over sooner?"

"Couldn't. I don't got no brakes. Dey just stopped working", Boudreaux replied.

"No brakes! And you was driving anyway? No only dat but you were speeding too! Why, Boudreaux, why? Answer me dat?", Thibodeaux asked in disbelief.

"It's just logic," Boudreaux replied calmly, "When I left work I see dat da brakes don't work. So I started speeding to minimize da danger. You see da longer you drive without brakes, the greater the chance of you gettin in a wreck. So I wanta hurry up and get home before I have a accident."
