

Sheriff Thibodeaux and Deputy Boudreaux were watching traffic when a guy in a bright red Porsche ran through a stop sign. They pulled him over.

"What's the problem?" the driver demanded.

"You ran dat stop sign back dere," Thibodeaux said.

"No I didn't," the driver objected, "I'm from California and we do rolling stops. That's where you slow down, look both ways, and proceed with caution if it's clear. If you hicks knew anything, you'd know that's a better way."

"Well dis here is Louisiana and here you gotta come to a complete stop," Thibodeaux explained.

"That is so stupid! There isn't any way you hicks can make me believe that completely stopping is any better than just slowing down," the driver stated.

"Sure we can," Thibodeaux said, "Give me a hand here Boudreaux."

Boudreaux grabbed the driver, pulled him out of the car, threw him to the ground, and began beating him on the head with a nightstick.

BAM ... BAM ... BAM ... BAM ... BAM ... BAM ... BAM.

"Slow down Boudreaux," Thibodeaux instructed and Boudreaux complied.

BAM ..... BAM ..... BAM ..... BAM ..... BAM.

"Now when you start to believe dat stopping completely is better dan just slowing down - you let me know," Thibodeaux said to the driver.
