

Boudreaux was not feeling too good and went to see Doc Robichaux.

"I just ain't feeling no good atall," Boudreaux explained.

Doc Robichaux examined Boudreaux and gave him a big bottle of red pills. "Take one of dose with a big glass of water each morning before breakfast," the doc said.

"Okay I'll do dat," Boudreaux said.

"And take one of dese with a big glass of water each day right before lunch," Doc Robichaux added and gave Boudreaux a big bottle of white pills.

"Okay," Boudreaux said.

"Also take one of dese with a big glass of water right before dinner each day," the doc said and gave Boudreaux yet another big bottle of pills - blue this time.

"All right," Boudreaux said, gathered up his medicine and left.

"Doc, you just gave away a lot of medicine dere," the nurse said when Boudreaux had left.

"Nah," the doc said, "Dem pills is just candy - Boudreaux just ain't drinking enough water - dat's his problem."
