

Southern Thoughts Technical Writing Pricing

Southern Thoughts charges \$50 per hour for writers and \$15 per hour for assistants.

The rate will be charged during the goal definition phase. Once defined a cost for the rest of the project can be estimated.

Assistants are primarily used during the information collection phase - Customers can consider providing the assistants to lower the overall cost and to get someone familiar with the process.

Reasonable expenses incurred will be passed through to the Customer.

Contact Robert to work out the details of your Technical Writing requirements.
